PETITION TO CORRECT INVENTORSHIP UNDER 37 C. F. R. 1.48(a)

Hon. Commissioner of
Patents and Trademarks
Washington, DC 20231

June 28, 2001

Sir:

This is a petition under 37 C. F. R. 1.48(a) to correct inventorship in the above-identified application.

The application was filed identifying Dale E. Wright as the sole inventor. The

actual inventors of the subject invention are Dale E. Wright and Howard Heller. Mr. Heller is a citizen of the U. S. A. and resides at 1890 Canterbury Drive, Indialantic, FL 32903.

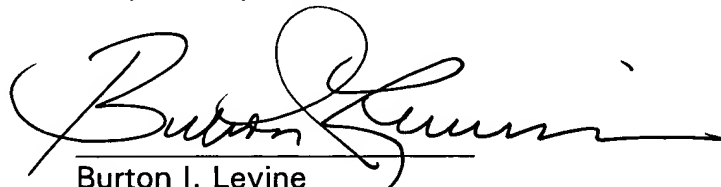

The application was filed on March 8, 2001 without an executed Declaration. After the application was filed, a review of the application was conducted at Tantivy Communications, Inc., the assignee of the application under an Assignment to be recorded. As a result of such review, it was determined that the application is claiming certain subject matter that was actually invented jointly by Mr. Wright and Mr. Heller, and not by Mr. Wright alone. This information was promptly relayed to the undersigned attorney. The error occurred without deceptive intent and is being promptly and diligently corrected.

Accompanying this petition are:

- (1) a Declaration under 37 C. F. R. 1.48 executed by Mr. Heller, attesting to the absence of deceptive intent;
- (2) a Consent of the assignee, Tantivy Communications, Inc., to the correction of inventorship; and
- (3) the appropriate petition fee under 37 C. F. R. 1.17(h).

A joint Declaration under 37 C. F. R. 1.63 executed by Mr. Wright and Mr. Heller, and an original Assignment to be recorded, are being separately filed concurrently herewith as part of a submission entitled "Completion of Patent Application."

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Burton I. Levine", written over a horizontal line.
